1. National Mission on Oilseeds and Oil Palm (NMOOP)

The state was included in Mini Mission-I of NMOOP from 2015-16. An Annual Action Plan has been approved with an amount of Rs.78.07 lakhs (Central share of 70.25 lakhs + State share of 7.81 lakhs) during 2016-17. An amount of 51.37 lakhs has been released as first installment during current financial year. Major emphasis has given to production and supply of certified seed, block demonstration on improved technologies and plant protection measures, distribution of farm implements and sprinkler sets to increase production and yield of oilseed crops. The following interventions have been approved for implementing MM-I during 2016-17.

- Supply of 10000 minikits of improved varieties of mustard through National Seed Corporation.
- Organizing 440 block demonstration of groundnut (20), soybean (170), R&M (150), and sesame (100).
- The state has proposed to increase irrigation area under oilseed crops to 750 ha/season.

2. Issues for discussion

- Certified seeds of traditional oilseeds are not being produced by the state producing agencies as per the requirement of the state.
- Even though the state has reported physical progress, financial achievement is 'Nil' upto the month of August 2016.
