To,
Director of Agriculture
Government of MP
Maharashtra and Rajasthan.

Subject: Brief report on Infestation of disease/pest in soybean and likely yield loss - reg.

Sir,

During the recent video conference held on 5th November, 2015, (minutes enclosed) it was reported that infestation of yellow mosaic virus in MP, castor semi-looper in Maharashtra and disease/pest complex in Rajasthan have caused considerable yield loss in soybean crop during Kharif 2015. It has been directed by the Competent Authority that a detailed note on the spread of the disease/pest infestation along with likely yield losses in soybean and measures taken by the States may be prepared and submitted to this Department at the earliest.

Yours faithfully,

Encl: as above
