Subject:- Utilisation of unspent balances of last year i.e. 2014-15 under National Mission
on Oilseeds and Oil Palm (**NMOOP**) during FY 2015-16-regarding.

Sir / Madam,

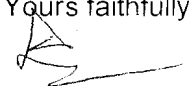

I am directed to refer to the subject noted above and to state that National Mission on
Oilseeds and Oil Palm (NMOOP) Scheme has been approved as a part of **Krishi Unnati
Yojana (State Plan)** with Central Share of **₹353.00 crore (Rupees Three hundred fifty
three crore only)** and being implemented with interim sharing pattern of 50:50 between
Centre & States during the current financial year i.e. 2015-16.

2. NMOOP was funded with 75:25 sharing pattern between Centre and States during
2014-15 and funds were released to State Government. Due to delay in release of funds to
the State Agriculture Departments, some State Governments have reported unspent
balances of 2014-15 under NMOOP.

3. It has been decided by the Competent Authority that States may spend last year's
unspent balances during this year on activities which were approved in the last year's
action plan but could not be completed, as per funding pattern of last year. These activities
will be in addition to the activities approved in the Annual Action Plan (AAP) for 2015-16 for
which allocations have been made during the current year. In case any modification in
activities is required, State Government may take approval of DAC. However, State
Government must ensure compliance of guidelines / instructions relating to implementation
of the scheme, as also financial rules & procedures, as may be applicable.

4. This issues with the concurrence of AS&FA of the Department of Agriculture &
Cooperation vide Dy.No.6628/AS&FA, dated 19.5.2015.

Yours faithfully,
