

Status of Oilseeds Development Programme in Haryana

1. Status of Oilseeds Cultivation

Among 09 oilseed crops, Rapeseed-Mustard (R&M) and sunflower are grown over an area of about 5.11 lakh ha. The state was covered under erstwhile scheme of Integrated Scheme of Oilseeds, Pulses, Oil Palm and Maize (ISOPOM) implement from 2004-05 to 2013-14 and also included under National Mission on Oilseeds and Oil Palm (NMOOP) launched from 2014-15. The crop wise area, production and yield of oilseeds in the state during last couple of years is given below:

Crop	Unit	2013-14	2014-15	2015-16*	Normal (APY)
Rapeseed-Mustard	Area (ha)	537000	496000	505000	529600
	Production(tonnes)	880000	699000	805000	876000
	Yield (Kg/ha)	1639	1409	1594	1654
Sunflower	Area (ha)	5000	9000	15000	11000
	Production(tonnes)	12000	19000	38000	19800
	Yield (Kg/ha)	24000	2111	2533	1800
Total oilseeds	Area (ha)	549100	511200	528200	547000
	Production(tonnes)	899000	723300	849200	900900
	Yield (Kg/ha)	1637	1415	1608	1647
All India	Area (ha)	28050500	25726500	26134500	26805300
	Production(tonnes)	32749400	26675100	25303700	30169700
	Yield (Kg/ha)	1168	1037	968	1126

*4th Advance estimate

2. State is included in the three Mini Missions, one each for Oilseeds, Oil Palm and Tree Borne Oilseeds. However, only MM-I is under implementation in the state from 2014-15. Annual Action Plan (AAP) has been approved with a Central Share of Rs. 787.00 lakhs during 2016-17.
3. In addition to State AAP, implementation of following interventions have also been approved through Central agencies in Bihar:
 - 3.1 Supplied 1096 minikits of improved varieties of sesame during Kharif 2016 and 62436 minikits of R&M through National Seed Corporation (NSC), IFFDC, KRIBHCO, NAFED during Rabi 2016-17.
 - 3.2 Organizing Front Line Demonstrations (FLDs) of Sesame (250) and R&M (450) the ICAR -KVKs located in the State.
4. **Issues for discussion:**

1. State may explore the possibilities for area expansion under R&M, and sunflower under rice fallows and also to strengthen seed production of these oilseed crops.
2. Participation of district level Officers in monitoring of FLDs being organized by ICAR/KVKs.
3. Productivity improvement of oilseeds particularly of R&M and sunflower.
4. Even though the state has reported physical progress, financial expenditure is 'Nil' up to the month of September 2016. It indicates very slow progress of the programme.

Name of the State: Haryana
 Name of the Scheme: National Mission on Oilseeds and Oil Palm (NMOOP)

(Rs. In Lakhs)

Sl. No.	Year	Opening Balance	Allocation	Release	Total Fund available (3+5) = 6	Expenditure	Closing Balance (6-7) = 8
1	2	3	4	5	6	7	8
1	2011-12 (ISOPOM)	46.78	722.80	722.80	769.58	418.29	351.29
2	2012-13 (ISOPOM)	351.29	434.60	434.60	798.89	688.47	110.42
